About Us

Al Hugayet Group

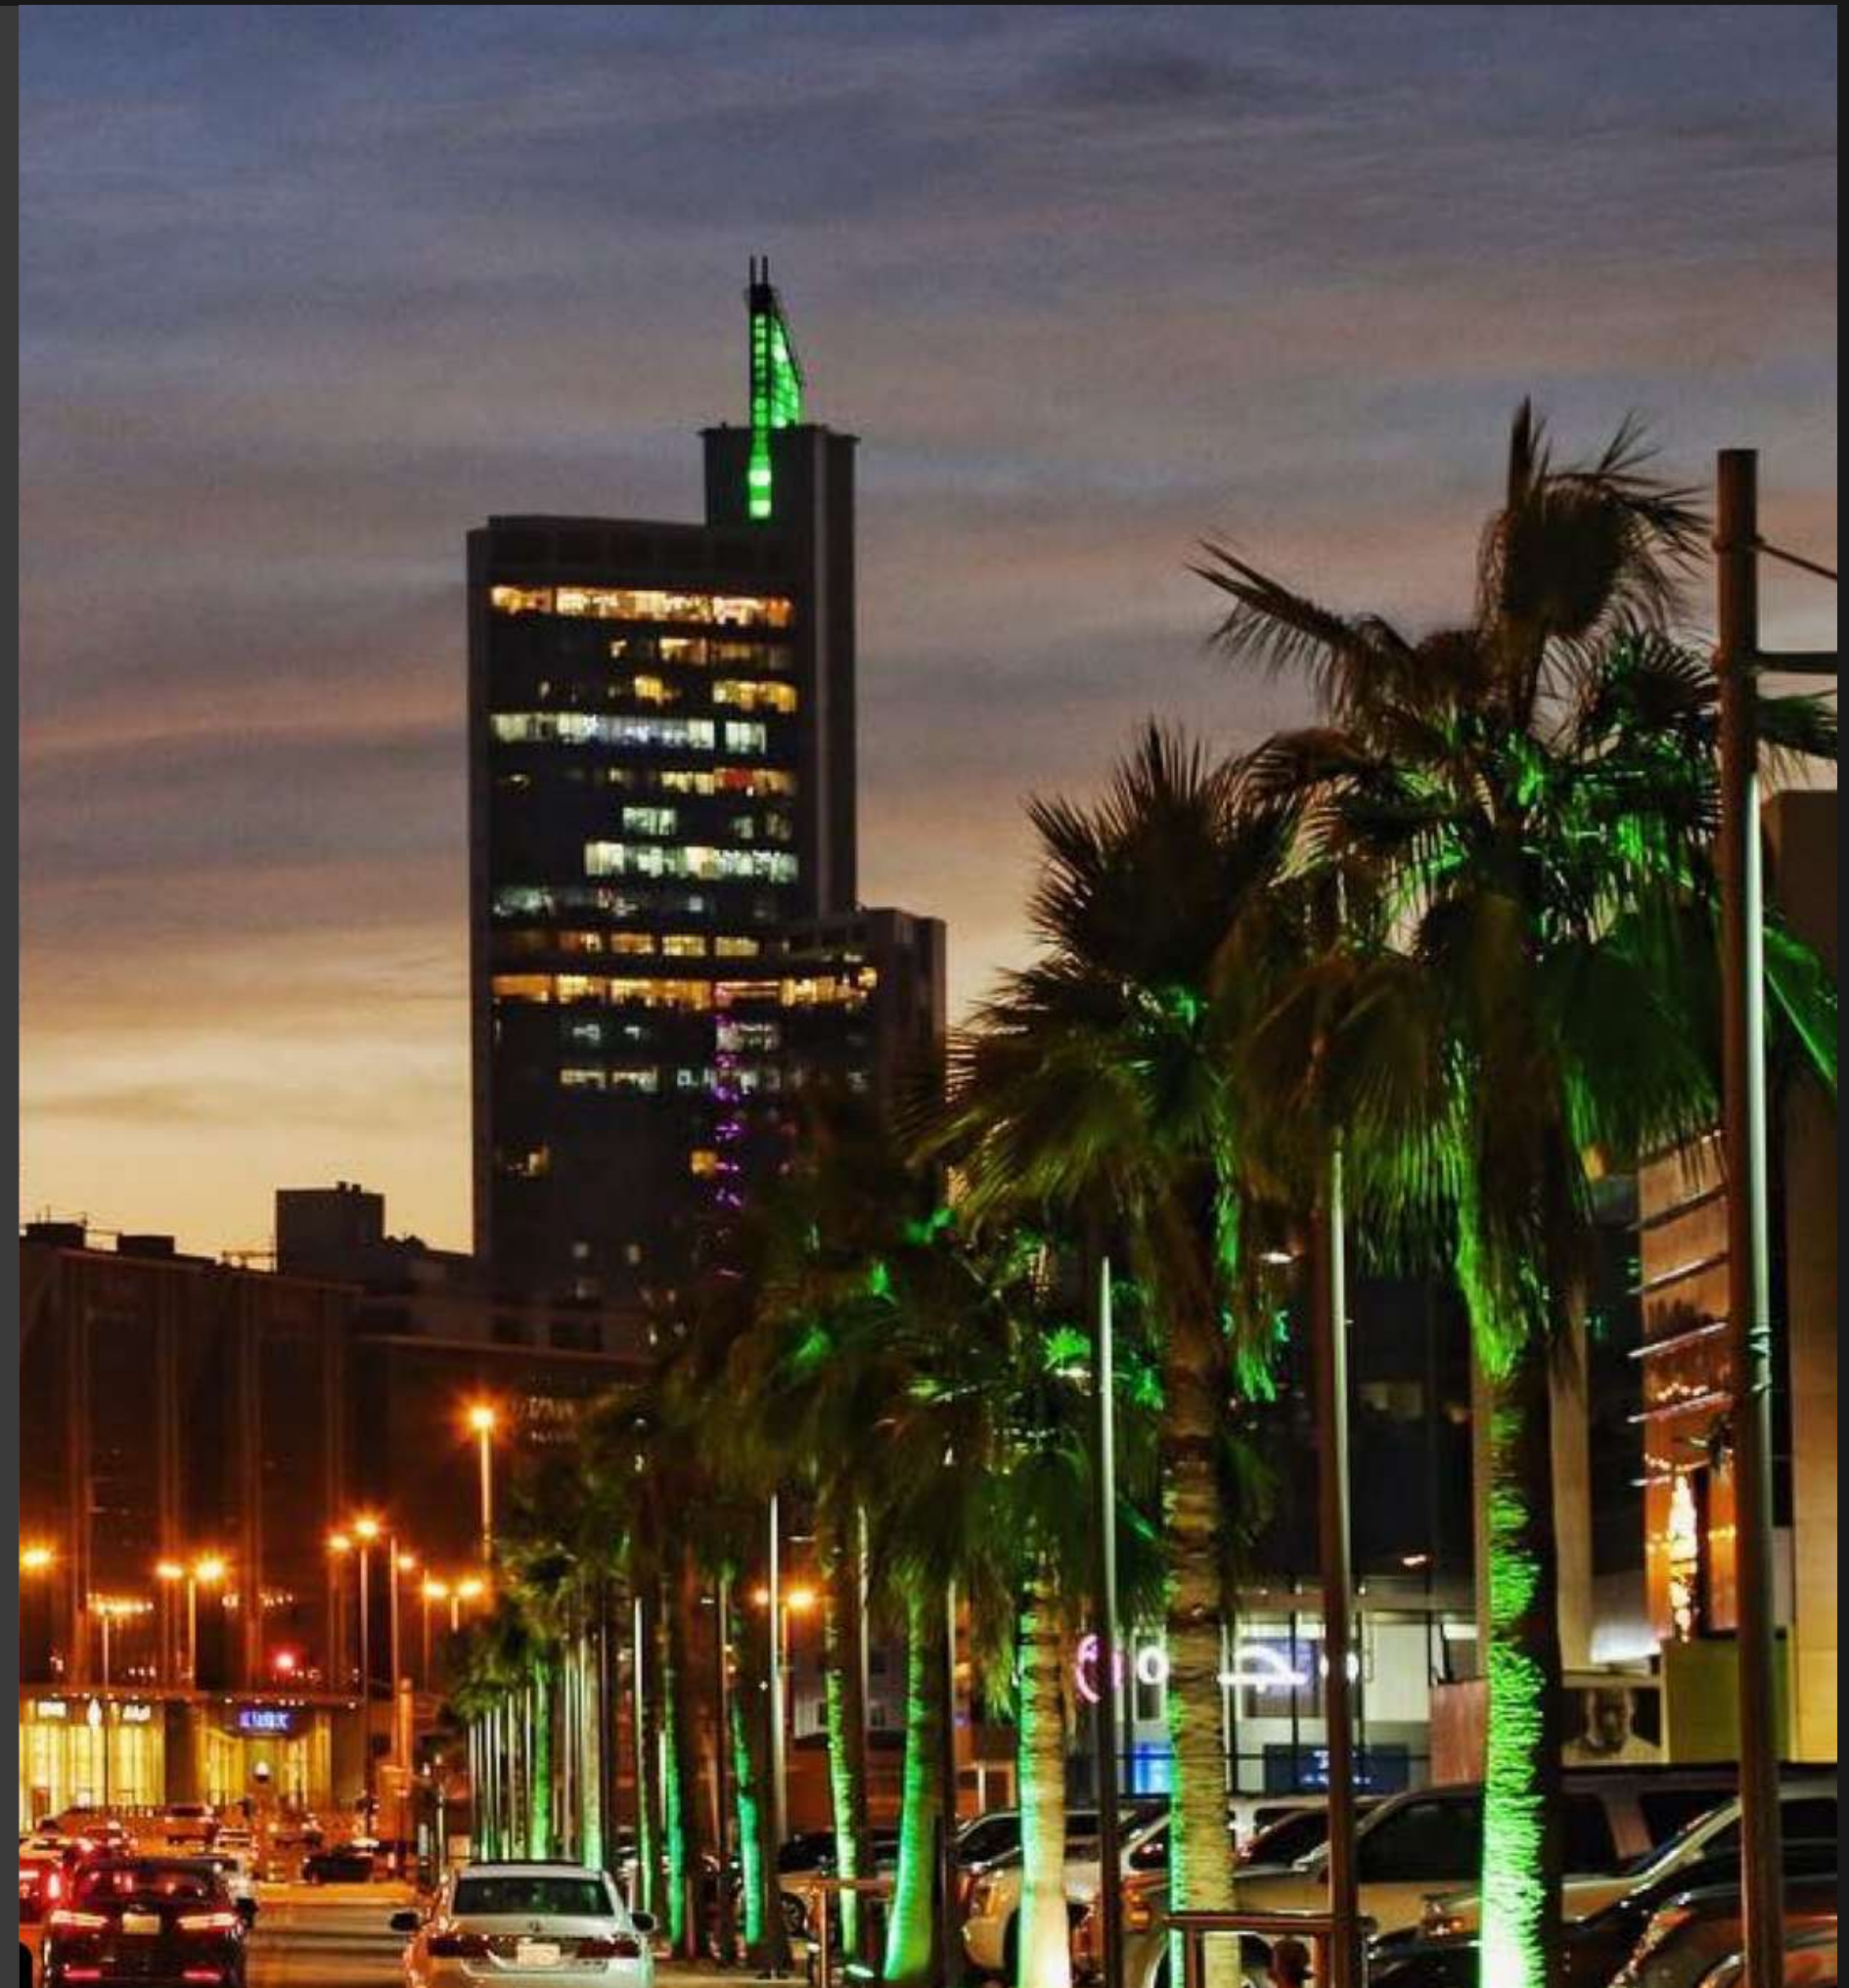

Saudi Joint Stock company and a multifaceted business group established in the year 1978.

Our mission statement is:

“Totally Dedicated Services” to its clients, customers and principals

What we can do

- Al Hugayet Group is financially capable company with a strong market reputation.
- Always looking to expand and grow to establish WIN-WIN partnership with reputed companies.
- We own lands in Eastern Province the Industrial Capital of the Kingdom, where incoming Principal can build Industrial or Commercial Infrastructure.
- Set-up Manufacturing or Service base to facilitate incoming partners to become IKTVA compliant (a mandatory requirement under the Vision 2030 initiative)
- Current Al Hugayet IKTVA Score (11% Saudi Aramco & 14% KSA- Avg for Last 3 Years) has been validated by Saudi Aramco and it is as per Saudi Aramco Guidelines.
- We see great opportunities in the Kingdom, we count on the support of our principals and clients and in turn we guarantee a successful and long-term relationship.

Oil and Gas

Al Hugayet is interested in companies who are willing to establish an in Kingdom Joint venture to either manufacture, assemble or provide services in order to comply with the SAGIA (<https://sagia.gov.sa/en/>) and IKTVA (<http://iktva.sa/>)

Al Hugayet is willing to consider an initial agency relationship but with a commitment to convert into a joint venture.

We look forward to enter into a WIN-WIN relationship with companies who are looking for a strong, well established and trustworthy partner in the Kingdom to offer the latest and state of the art technologies in the following areas:

- Upstream Drilling Technology
 - Unconventional Drilling
- Drilling Chemicals and Fluids,
 - Offshore technology
- Supply Vessels and Services
 - Renewable energy

Al Hugayet is headquartered in Al Khobar and operates from its own iconic tower “Al Hugayet Tower”.

Started as a trading establishment providing representation and other In Kingdom services the Group has continued its growth year and after year to become a trusted partner in the Kingdom to many reputed companies such as:

Baker Hughes GE (BHGE) Rotork, Reservoir Group, Praxis, EZTEK, Evoqua, Monarch Separators and several others.

Al Hugayet also had long term associations in the past with companies like Halliburton, Schlumberger, Hercules Offshore, WellDynamics, and RESMAN and successfully introduced their products and services.

We always *welcome* companies for:

- Offshore rig contractors
- Directional drilling contractors
- Drilling and Completion fluids and systems
- Interesting and Unique technologies in drilling
- Pipeline contractors – Offshore and Onshore
- Multiphase flow meter
- EPC – refinery construction
- Refinery – shutdown and maintenance

Fully committed to Saudiization

رؤية
VISION
2030
المملكة العربية السعودية
KINGDOM OF SAUDI ARABIA

A green parakeet is perched on a bare, light-colored tree branch. The background is a clear, bright blue sky. The parakeet has a red beak and a red ring around its neck. The text 'Real Estate' is overlaid on the image, with 'Real' in white and 'Estate' in green.

Real Estate

Al Hugayet provides additional services such as office space in the Al Hugayet Tower which is the most sought-after commercial complex today in the Eastern Province.

We also own and lease several modern buildings to which several huge companies operate.

Abdulhadi Al Hugayet Tower

Situated along major food and business hub areas of Al Khobar.

With the scenic view of the seaside overlooking
The Arabian Coast.

This is one of the unique and iconic building that is ready to welcome companies
with Location-wise and Business-wise approach.

VISION رؤية
